Annual Membership Meeting

The Metro Credit Union Annual Meeting is scheduled for Saturday, March 7, 2020, at the Marriott Regency Hotel, 10220 Regency Circle. It will be an early morning event complete with a breakfast buffet.

This meeting provides our members with the opportunity to check on the performance of their financial institution over the course of the previous year, and to also learn about plans for the future.

The annual meeting is open to all Metro Credit Union members and their guests. Tickets are \$15.00 each and are available for purchase at all Metro Credit Union offices in early February.

Celebrate What's Possible with MCU

Throughout the year we've helped members celebrate what's possible: new kitchens, new cars, new beginnings, and everything in between. While everyone's needs are different, it is our sense of family that brings us all together, especially during the holiday season. [Happy Holidays from Metro Credit Union](#).
