

Rate and Fee Disclosure

1/19/2022

The "Rate and Fee Disclosure" explains current terms, rates and fees applicable to savings, checking and certificate accounts we offer. We may offer other rates and require other fees or amend the rates and fees, as explained in this disclosure, from time to time. Each owner on an account agrees to the terms described in this disclosure and acknowledges that it is a part of the Member Service Agreement (MSA) or Business Service Agreement.

deposit until maturity. A withdrawal of dividends will reduce earnings.

2) **NATURE OF DIVIDENDS:** Dividends are paid from current income and available earnings after required transfers to reserves at the end of a dividend period.

3) **COMPOUNDING AND CREDITING:** Dividends will be compounded and credited as identified above. For dividend bearing accounts, the Dividend Period begins on the first calendar day of the period and ends on the last calendar day of the period.

4) **ACCRUAL OF DIVIDENDS:** Dividends will begin to accrue on cash deposits on the day you make the deposit to your account. Dividends will begin to accrue on non-cash deposits (e.g., checks) on the day you make the deposit to your account. If you close your account before accrued dividends are credited, accrued dividends will not be paid.

5) **BALANCE INFORMATION:** The minimum balance required to start each account and earn the stated APY is identified above. If you do not maintain the minimum balance, you will not earn the stated APY. For all accounts, dividends are calculated by using the Daily Balance method, which applies a daily periodic rate to the balance in the account each day.

6) **MATURITY:** Your Share Certificate or IRA Certificate Account will mature within the term of the maturity date set forth on your account receipt or renewal notice.

7) **INSURED SAVINGS:** Metro Credit Union deposit accounts are insured by the National Credit Union Administration (NCUA), an agency of the United States Government. Member accounts are insured to a maximum of \$250,000.

8) **SHARE PAR REQUIREMENTS:** The Par Value of a membership share is \$5.00, which must be fully paid to become a member or maintain membership to receive and maintain any accounts or services with us. Your membership share must be paid into and retained in your savings account. If the par value is not paid or the account falls below par value of one share within 30 days of the reduction, the member may be terminated from membership.

Common Features of All Accounts

1) **RATE INFORMATION:** The Dividend Rate and Annual Percentage Yield (APY) on the accounts you have with us are identified above. For all accounts except certificates, the Dividend Rate and APY may change daily as determined by the Board of Directors. The Dividend Rates and APYs are the prospective rates as of the effective date shown above. For Certificate Accounts, the Dividend Rate and APY are fixed and will be in effect for the term of the account. For Certificate Accounts, the APY is based on an assumption that dividends will remain on

9) **ACCOUNT LIMITATIONS:** For all money market accounts, you may not make more than 6 (six) transactions per month. Covered *transactions* include your checks, transfers initiated through online banking or mobile banking, ACH transfers, merchant point of sale *transactions*, preauthorized automatic transfers, and overdraft protection transfers. Transfers to pay a loan with us are not covered by this limit. The date we use to determine the number of transactions is the date a *transaction* is posted to (actually credited or debited from) an account, rather than the date you initiate the *transaction*. If you exceed this limit, we may refuse the *transaction*, and we may terminate the account.

For a Holiday Club account, the entire balance will be paid to you by check or transferred to another account of yours on or after November 1 and the account will remain open. If any withdrawal is made from this account before the end of the club term, then the account will be closed and a \$15 penalty will be assessed.

10) **INACTIVE/DORMANT ACCOUNTS:** If your account falls below \$500.00 and you have not made any transactions over a twelve (12) month period, or we have been unable to contact you by regular mail; we may classify your account as inactive or dormant. Unless prohibited by applicable law, we may charge a service fee of \$10.00 per month for maintaining your dormant account. If we impose a fee we will notify you, as required by law, at your last known address. You authorize us to transfer funds from another account of yours to cover any service fees, if applicable. If a deposit or withdrawal has not been made on the account and we have had no other sufficient contact with you within the period specified by state law, the account will be presumed to be abandoned. Funds in abandoned accounts will be reported and remitted in accordance with state law. Once funds have been turned over to the state, we have no further liability to you for such funds. If you choose to reclaim such funds, you must apply to the appropriate state agency.

Note: An Escheatment/Abandoned Account fee of \$25.00 will be charged when funds are remitted to the applicable state agency. If the remaining account balance is less than \$25.00, the fee will equal the remaining account balance.

11) **RELATIONSHIP/NON-RELATIONSHIP ACCOUNTS:** Metro Credit Union classifies each account into one of two categories: "Relationship" or "Non-

Relationship". Those members actively participating in the credit union by utilizing a variety of services are classified as Relationship. Those who have limited services and primarily use the credit union for cash transactions are classified as Non-Relationship.

This distinction was created to reward those members who choose to use multiple services such as checking, loan products, debit/credit cards and others. Relationship members enjoy fewer and/or lower fees and service charges.

Non-Relationship members have access to any Metro Credit Union product or service, but may incur a higher fee or service charge than those charged to a Relationship member.

Non-Relationship members may convert to Relationship status once they increase the number of products and services they use.

Certificate Accounts

Dividends are accrued daily and compounded monthly.

Dividends will begin to accrue on the date that the certificate is issued.

A minimum deposit of \$500 is required to open a certificate and obtain the disclosed Annual Percentage Yield (APY). The APY assumes that dividends will remain on the account until maturity; therefore, a withdrawal will reduce earnings.

If withdrawals reduce the principal balance below \$500, the certificate account will be closed and the penalty shall be imposed upon the entire amount evidenced by the certificate account.

An early withdrawal will incur a penalty and reduce the disclosed APY.

The daily balance method is used to calculate dividends, which applies a daily periodic rate to the principal each day.

This account will renew automatically at maturity. The Credit Union will send a reminder notice at least 30 days prior to maturity. At any time, the owner may give the Credit Union instructions for handling the account at maturity if an automatic renewal is not desired.

Renewals will be for a similar term. If a certificate of the same term is not offered, the 30 day reminder notice will contain the proposed renewal terms.

After the certificate is opened, additional deposits to the certificate are not allowed until maturity.

Certificates are not callable.

Certificate Penalty Section

An early withdrawal will incur a penalty and reduce the disclosed APY. The interest rate used to calculate the penalty is the interest rate in effect at the time of the withdrawal. In the event of an early withdrawal, the following penalties may apply as applicable:

- If the term is less than 12 months, there will be a forfeiture of all credited dividends since the date of issuance or renewal
- If the term is 12 months or longer, but less than 29 months, there will be a forfeiture of an amount equal to one hundred eighty (180) days' dividends on the amount withdrawn.
- If the term is 30 months or longer, but less than 59 months, there will be a forfeiture of an amount equal to three hundred sixty five (365) days' dividends on the amount withdrawn.
- If the term is 60 months or longer, there will be a forfeiture of an amount equal to seven hundred thirty (730) days' dividends on the amount withdrawn.
- Uncredited dividends will not be paid.
- If the dividend penalty exceeds the amount of dividends in your account, that amount will be deducted from your withdrawal.
- Exceptions to early withdrawal penalties are the following: 1) death of any holder of the certificate, 2) voluntary or involuntary liquidation

of the Credit Union, and 3) Required Minimum Distributions (IRA Certificates Only).

Additional IRA Certificate Disclosures

If the IRA Certificate Owner reaches the age of 72 (The age mandatory IRA distributions must begin) during any IRA Certificate term, there will be no early withdrawal certificate penalty for any withdrawals after the age of 72 if the withdrawal is part of your Required Minimum Distribution.

All rules and regulations applicable to IRA accounts, as set forth in IRS Publication 590, are applicable to this IRA Certificate Account.

***Metro Credit Union reserves the right to close an IRA Share Account if a withdrawal drops the current balance below \$100. All remaining funds would then be distributed to the member.

Household Balances

Members may qualify for some Metro Credit Union products based on their Household Balance. A Household Balance includes the sum of any and all deposit accounts such as Regular Share Savings, Certificates, Money Market Accounts, and the dollar balance of most loan products on a linked account. Mortgage loan balances are not included as part of a Household Balance.
